No.MD/99/CIRCULAR/Vol-II/TECH/2013-14 355

dated: 27.08.2013

CIRCULAR

Sub: Standardized Pre qualification criteria to be adopted – for the canal works wherever the structures viz., Aqueduct / Box Culvert / Bridge / Bridge Cum Barrage involved.

KBJNL is implementing / executing main canal works including lining and structures coming under the Lift Irrigation Schemes. It has been observed that, different zones / divisions are adopting different pre qualification criteria for the canal works involving different structures.

2. It has now been felt necessary to standardize the pre qualification criteria for canal works with different structures viz., Aqueduct, Box Culvert, Bridge, Bridge Cum Barrages, etc., coming under the reaches of the main canal for execution. Hence, the following pre qualification criteria are to be adopted.

- i) A copy of the Category-I enrolled in KBJNL selected list with validity.
- ii) The requisite EMD in electronic cash.
- iii) Latest copy of the Income Tax return for the year 2011-12 mentioning the PAN and TAN No's (Assessment year 2012-13)
- iv) Latest copy of Sales Tax clearance certificate for the year 2013.
- v) EPF registration certificate. The intending contractor should compulsorily be registered with EPF authorities.

Pre qualification criteria

- i) The intending bidder should have satisfactorily completed one similar type of work (i.e., Aqueduct / Bridge / Bridge Cum Barrage /Flyover) costing not less than 60% of the amount put to tender during last 5 years reckoned back from 2012-13. The certificate should be issued by an officer not below the rank of Executive Engineer of the concerned division / equivalent officer and countersigned by the SE of the concerned circle / next higher officer.

- ii) The bidder should have achieved a minimum financial turnover of 80% of the amount put to tender in any two calendar years during the last 5 years reckoned back from 2012-13 duly updating the financial turnover at 10% per annum. Audited balance sheet certified by practicing Chartered Accountant along with copies of IT returns filed for the 2 years indicated above shall be furnished.
 - iii) The intending bidder should have executed the item CC lining with mechanical paver at least for 50% of the length of canal put to tender Certificate should be obtained from an officer not below the rank of Executive Engineer and counter signed by the Superintending Engineer of same Circle.
 - iv) The bidder should have executed the Aqueduct / Bridge / Bridge Cum Barrage / Fly over works, with pier height not less than 5 meters.
3. Henceforth, the above standard pre qualification criteria should be adopted for the canal works wherever, Aqueduct / Bridge / Bridge Cum Barrage are involved. These criteria should be informed to your subordinate officers under your jurisdiction for adopting the standard pre qualification criteria.

This Circular comes with immediate effect.
